Present Occupation
Job Title _____
 Significant Previous Occupation(s): _____

Serving on the Triennial Worship Team is a wonderful experience of participating with God in His ministry to women, building friendships that will last a lifetime and growing in faith. The time commitment required for a Worship Team participant is substantial. Team members are required to rehearse independently, to attend a spring rehearsal and rehearse the week of the event. Professional recordings may require an additional time commitment. Therefore, we ask you to involve your family in your decision to apply for the Team.

Participants of the Triennial Worship Team will have their registration and lodging expenses covered as an expression of our gratitude for their service.

My Service

Please check the area(s) for which you have special gifts and then list your experience in each area.
